I certify that we support the decision to obtain insurance coverage from an alternate broker.

I understand that as a prescribed housing provider my housing corporation is required under the *Housing Services Act, 2011* (HSA) to participate in such insurance programs as may be coordinated by the Housing Services Corporation. I further understand that if my housing corporation is an LHC, that the provincial transfer orders require participation in the HSC Group Insurance Program.

I understand that HSC is required under the HSA to co-ordinate insurance programs for prescribed housing providers under prescribed housing programs and to establish policies and processes for providing insurance to prescribed housing providers and tender for programs of insurance on behalf of prescribed housing providers.

I am aware that HSC has negotiated mandatory minimum coverages that must be met by all insurance providers.

I understand that prescribed housing providers are required to meet the mandatory minimum coverages described in the HSC Coverage Checklist.

I understand that by choosing not to purchase insurance through the HSC Group Insurance Program, the Board accepts full responsibility for any and all consequences of that decision. I further understand that there may be coverages available through the HSC Group Insurance Program that are not available through my alternate broker and that my housing corporation may be subject to financial loss from damage that may have otherwise been indemnified by the insurer if coverage had been purchased through the HSC program broker.

I agree to participate in the HSC Group Insurance Program, as mandated by provincial requirements, by paying the HSC program management fee. I understand that I will be invoiced for the program management fee. I understand that HSC will report the decision to purchase insurance from an alternate broker to my Service Manager and to the Ministry of Municipal Affairs & Housing.

I have read and accept the conditions stipulated in this form. I confirm that all HSC minimum coverage standards will be met or exceeded, where applicable, for the term November 1, 2020 to November 1, 2021, and that the information provided herein is accurate
