

The alternate broker is required to review and discuss the coverage standards set out herein with housing providers and ensure the alternate quote meets or exceeds these standards.

IMPORTANT NOTE FOR PRESCRIBED PROVIDERS:

Providers who are binding coverage with an alternate broker instead of with the HSC Group Insurance Program must ensure the alternate coverage meets or exceeds the coverage outlined below. It is the alternate broker's responsibility to review the coverage outlined below and discuss any coverage differences with the housing provider.

The Alternate Broker Coverage Form and LHC Form (if applicable) must be submitted within the required time frames or your coverage in the HSC Group Insurance Program will be bound.

Under the *Housing Services Act, 2011*, prescribed non-profit housing providers (including LHCs) are required to participate in HSC's insurance program. These providers must either purchase coverage through HSC's program broker or obtain equal or superior coverage from an alternate broker at a **lower price**.

The purpose of the Coverage Checklist is to assist you in determining whether your alternate broker's coverage is equal or superior to the HSC program broker's coverage. The first set of columns on the following pages outline key highlights of the Program's coverage requirements. Your alternate broker must review and confirm the second set of columns. The checklist is a guide to ensure the alternate quote meets or exceeds the HSC program broker's coverage.

Insurance policy language is complex and may vary substantially from insurer to insurer. Two policies with the same coverage highlights can differ significantly in terms of actual coverage, extensions, limitations and conditions. The coverage offered by the HSC program broker may or may not be adequate for an individual housing provider. Consult any potential broker to determine whether you need additional coverage. Underinsured or uninsured situations could arise if a housing provider purchases coverage with exclusions, limitations or conditions that are not suitable for its circumstances.

It is the responsibility of the alternate broker to review both coverage offerings and ensure the coverage is equal or superior to the HSC's minimum mandatory coverage standards. It is also the alternate broker's responsibility to ensure they are providing adequate coverage. Meeting the minimum does not mean the provider has sufficient coverage for their particular risk. Please speak to your potential broker to determine whether you need additional coverage for your particular risk.

Please note:

- **Alternate Broker Coverage Form** is required to purchase insurance from any alternate broker
- **LHC Form** (for Local Housing Corporations only) is required to purchase insurance from any alternate broker.

HSC Insurance Minimum Coverage Standards & Checklist

You and your Alternate Broker can use the following as a guideline to make sure any proposed insurance meets the minimum coverage requirements. Please note that the coverage details, limits and deductibles outlined here are from the 2020-21 term and will be updated to reflect the underwriter terms for 2021-22 as soon as they become available. If you're uncertain about your insured values or coverage needs, contact HSC for advice.

This coverage is not a Required Coverage but is highly recommended to protect your organization from potential employee lawsuits and high defense costs.
